

J. ROCKETT AUDIO DESIGNS

Controls

- **Loud:** This is the volume control. All the way to the right increases volume, all the way to the left decreases volume.
- **Gain:** To the right increases gain, to the left decreases it.
- **Treble:** To the right increases treble, to the left decreases it.
- **Bass:** To the right increases bass, to the left decreases it.

Settings

The new .45 Caliber is a pedal we have been asked to create for some time now. It is a recreation of the original 1962 JTM 45 sound, overdriven. The sonic influence came directly from the old Malcolm Young, brilliantly crunchy rhythm tones and the old Pete Townsend Live at Leeds, “face-melting” goodness! To achieve that sound seems like an easy task but this design proved to be quite a challenge. After a year or so we feel we have nailed it, not only in sound, but also in feel.

All J. Rockett Audio Designs pedals operate off of the standard BOSS type 9 volt adapter or a single 9 volt battery. The power input is a 5.5 mm x 2.1 mm jack with the positive voltage on the outer sleeve. Using an external power supply will automatically disconnect the battery. Disconnect the input jack to preserve battery life when not in use or when not used

2.1mm x 5.5 mm tip/negative plug

Warranty

J. Rockett Audio Designs LLC will repair or replace, at its discretion, defective workmanship or materials on all new J. Rockett Audio Designs products directly or through the selling dealer or an authorized service technician for one year from the date of purchase at no cost to the original purchaser. Repair and replacement parts installed will be warranted for the unexpired portion of the original warranty term.

Before sending a product in for repair, please contact us at chris@rockettpedals.com or jay@rockettpedals.com or call us at 760-419-1345.

This warranty does not cover shipping costs, product appearance or damages caused by accident, abuse, misuse or alteration. A dated sales slip or order number (issued by a tech, dealer or J. Rockett Audio Designs) must accompany a product being returned for warranty service. Repairs without a return authorization number will be refused. Please allow four (4) weeks for warranty service. For more information please contact J. Rockett Audio Designs via our website at www.rockettpedals.com or call us at 760-419-1345. No other warranty is expressed or implied.
