

J. Rockett Audio Designs

The Mr. Moto is everything you wish your amp had built in. The Mr. Moto is a very musical Tremolo with a super lush spring reverb as well. Both can be run independently or together. The Tremolo can go from a very subtle throb to a choppy rhythmic pulse. Mr. Moto is great for very lush, beautiful tones all the way to full on surf rock. The options are many but no matter where you set it the effect can completely change your tone, feel and the way you approach music altogether.

Controls

Tremolo

Depth – Controls the intensity of the Tremolo

Speed – Controls the speed of the Tremolo

Wave – Controls the wave form/Sine Wave (Smooth) to Square Wave (Choppy)

Spring Reverb -

Reverb – Controls the depth of the reverb just like an old amp

Settings

Set the Depth to 2 O'clock, the speed to 11 O'clock, Wave form all the way left and reverb to 3 O'clock and you have a beautiful lush spacious sound. Adjust from there for fast Tremolo, slow Tremolo or anything in between. You can turn the Depth control all the way down and use the Mr. Moto for Reverb only as well.

- Tremolo and Reverb in one
- I/O Jacks at the Head of the Pedal
- 9V DC Operation with Standard (- tip and + sleeve)
- Approximately 4" x 2.50" in Size
- Weight is 1 pound
- True Bypass

Warranty

J. Rockett Audio Designs LLC will repair or replace, at its discretion, defective workmanship or materials on all new J. Rockett Audio Designs products directly or through the selling dealer or an authorized service technician for one year from the date of purchase at no cost to the original purchaser. Repair and replacement parts installed will be warranted for the unexpired portion of the original warranty term.

Before sending a product in for repair, please contact us at chris@rockettpedals.com or jay@rockettpedals.com or call us at 720-936-8623.

This warranty does not cover shipping costs, product appearance or damages caused by accident, abuse, misuse or alteration. A dated sales slip or order number (issued by a tech, dealer or J. Rockett Audio Designs) must accompany a product being returned for warranty service. Repairs without a return authorization number will be refused. Please allow four (4) weeks for warranty service. For more information please contact J. Rockett Audio Designs via our website at www.rockettpedals.com or call us at 760-419-1345. No other warranty is expressed or implied.
